NEWS

Thankyou to all of the parents who have signed up to our online cash free system: SIMS Agora. Moving to this system will enable more effective control of costs across the school as well as making payments easier for parents. Even if your child does not have school dinners it is vital that you sign up now. Soon the system will be used to book tickets for school events, such as Nativity Services, Clubs and School Trips, with no cash option being available as an alternative. These will be accrued the maximum number of places eg 15 for a club and will be filled by the automated system, closing once full. We would hate for you to wait to register until the day clubs go on sale, struggle with registration and find clubs full by the time you are online.

As a reminder, no cash can be sent in with children under any circumstances. This often leads to lost cash which the school can not be accountable for. All payments should be made online using this system.

A big thank you as well to those of you who attended our open mornings. We had an amazing turnout with over 70% of children having one parent or carer attend. We recognise how hard it can be to get time off work and how busy modern life is an this is great testament to your commitment to your children's education.

We look forward to welcoming you next week for Parents Evenings.

Hillsgrove Primary School NEWS

CONGRATULATIONS

We had teams at the Sportshall Athletics Bexley Cup Qualifiers this week and our team were fantastic across all the track and field events, coming first and qualifying for the Athletics final in a few weeks time.

Thank you to Miss Cusselle our Lead Sports Teacher for her hard week preparing the team for the event and also to Mr Heath for giving up his evening to support at the event. Additionally thank you to all the parents who made themselves available to support the team and to drive children to and from Hurstmere. Lets hope that we can match the last two years success in winning the final and representing Bexley again in the London Youth Games.
