## NEWS

A big thank you to all those parents who supported our parents evenings this week. It is vital that we work together to ensure your children fulfil their potential. These are a great opportunity to discuss your children's progress and to assess how they are adapting to the new school year.

We have been having a number of visitors to the school over the last few weeks. As we have been highly successful as a community in Phonics, scoring consistently above Bexley and National and topping Bexley in 2016, we are involved in training all new staff to Bexley in 2016/17.

Additional we have had visitors in to look at our PE provision, following recognition from the Youth Sports Trust last year and unparalleled success in a wide range of sports, but also in increasing Physical Activity.

Over the last few weeks we have also been enjoying showing around prospective parents for Reception in 2017! In the last week I have met with 18 parents and have many more booked in to look at our school. If you would like to look around in preparation for your child's entry, please do contact soon as our sessions are filling up quickly.

Over the Summer holiday we invested significantly in our EYFS Outdoor Area and are awaiting an order to replace all off the Reception classroom furniture as we consistently strive to improve.
