Hills Grove Primary School

Friday 2nd December Issue 11

NEWS

Thankyou for supporting today's Own Clothes day to prepare for next Friday's PTA Xmas Fayre. We know for many families money can be tight, particularly around Christmas and are very grateful for your support.

Congratulations to _____ team who won last weeks House Rugby Cup, our second House cup of the year. All of the teams worked really hard and should be very proud of themselves. The Amadeus Trust Rugby Cup took place yesterday with _____ winning the cup. Well Done All.

Our full governing body met on Wednesday for the first full meeting of the year. We have a number of new governors and I am sure you will all join us in welcoming them to role. Pictures of them have been added to our new look front entrance area.

A big thankyou to Nathan Timothy from the Songwriting Charity for working with Year 3 today. The Nathan Timothy foundation work across thousands of schools each in order to reduce bullying in Schools. I look forward to hearing our classes songs.

We have been focusing assemblies on the core aims of the school which are now displayed in our school lobby and in our new school prospectus. These are based on the 5 R's of lifelong learning and are set out below.

Educating the whole child through focus on the Five

R's of Lifelong Learning:

Resilience – We know that sometimes learning is hard, but we are resilient and stick at it.

Responsibility – We are responsible for our classroom, our learning and one another.

Resourcefulness – We are resourceful and make good choices about ourselves and our work.

Reasoning – We reason things through carefully and think as we go.

Reflectivity – When we do something we always reflect on what we have learned and what we could do differently next time.
