PARENTS EVENINGS

Thank you to all of our parents for supporting our Parents Evenings this week. It is always useful to talk through your children's attainment as well as to discuss their effort and wellbeing. It is our aim that our increased reporting system will enable you to have a more regular feedback in terms of these areas so that we can work more closely together in the interest of all children.

HOMEWORK

Thank you all for the help and support that you give in ensuring that Homework is returned. Homework comes out on a Wednesday and will either be in the forms of work in your children's homework exercise book or in their Homework Journal as a question / table to learn. If for any reason your child does not have this when they come home on a Wednesday, please contact the school so we can ensure this is rectified on Thursday morning so that your child has good time complete their homework.

NATHAN TIMOTHY FOUNDATION

On Friday Nathan Timothy worked with 6R on the area of social media, linking this to songwriting and producing an excellent track. This follows Y5/6 inputs from the please in September on Cyber-Bullying. With the rise of social media, this has become one of the biggest areas of bullying, with children not always clear on the impact of their uses of this media or on how to respond if this happens to them.

Please do talk to us if you need support in this area.

CLASS ASSEMBLY

Our class assemblies continue with RM's Class Assembly on Monday at 2.45pm and 4L's Class Assembly on Tuesday at 2.45pm. We look forward to welcoming you to the school. Please ensure you have booked on SIMs Agora and checked out, even though this is free, as this creates our Fire Log for the event, to ensure your safety and our Fire compliance.
