Dear Parents / Carers

Could we please ask if you park in and around Sidmouth Road, dropping off and picking up your child/ren from school, could you please be considerate to residents by not parking across drives and using drives to turn your vehicles. Our residents are using their drives constantly to go to work, attend appointments and take their own children to school and on many occasions have been unable to move their vehicles from their drives due to inconsiderate parking. Many residents have been verbally abused or received offensive gestures when they have asked parents/carers to move their vehicles. Thank you for your help.
